Program Learning Outcomes

**B.A. in Literature – College of Creative Studies**

*Students graduating with a B.A. in Literature from the College of Creative Studies should be able to:*

- Create a substantial and coherent collection of work in at least one literary genre, either creative or scholarly, that demonstrates understanding of the conventions of the genre.
- Demonstrate an awareness of literary techniques and traditions used in major genres of literary works.
- Analyze and interpret literature within various theoretical frames and express that understanding in clear prose.
- Articulate relationships between works of literature and literary analyses.
- Demonstrate an understanding of the relationship between literature and other aspects of human experience, either in critical or creative works.
